

Kindergarten students welcome Santa in spectacular Christmas celebration at Adhiyaman public school.

It was a festive scene of joy and happiness as students of the kindergarten wing of Adhiyaman public school celebrated Christmas on 23rd December 2022.

Role play, dancing, and acting out scenes were enjoyed by all the students and staff.

The highlight of the event was a special appearance from Santa Claus who passed out presents to all the children. For many students, it was their first experience of meeting Santa Claus and seeing the delight in their faces was truly a wonderful thing.

Everyone had a wonderful time and the Christmas spirit was alive in the school that day.

It will be an event that all the children will remember for years to come.
